<b>Capacity building session 1: Plant Species conservation planning</b>		<b>Consultation session CEPF Mediterranean Ecosystem Profile</b>		<b>Workshop session 1: Integrating wild plants information for site management and conservation</b>		<b>Field trip</b>		<b>Workshop session 3: Community-conserved areas in the future management of biodiversity, land and water in the Mediterranean</b>		<b>IPAMed mid-term review session Closed coordination meeting for IPAMed partners</b>	
09:00 - 09:30	Participants welcoming and 1st Mediterranean Plant Conservation Week opening	08:30 - 09:00	Arrival	08:30 - 08:45	Workshop opening Introduction and objectives of the session	08:00 - 18:00		9:00 - 9:15	Workshop opening	08:00 - 10:30	IPAMed mid-term review session Close coordination meeting for IPAMed partners
09:30 - 11:10	Theme 1 - Element of Planning	09:00 - 10:30	Introduction	08:45-09:15	Opening Session	09:15-11:00	Short Presentations - Pecha kucha session (6 min presentation)	9:15-10:15	Opening session		
11:10 - 11:30	Coffee Break	10:30 - 11:00	Coffee Break	11:00-11:30	Coffee Break	11:30-12:00	Main presentation	10:15-11:00	Participatory activity 2	10:30-11:00	Coffee Break
11:30 - 13:30	Theme 2 - Planning to Implementation	Important Plant Areas (1)		11:30-12:00	Short Presentations - Pecha kucha session (6 min presentation)	Lunch		10:30-10:50	Coffee Break	11:00 - 12:30	IPAMed mid-term review session Close coordination meeting for IPAMed partners
11:30 - 13:30		11:00 - 13:00	Break out groups to review draft Key Biodiversity Areas with focus on IPA Revision of Trigger species at site level Revision of boundaries issues	12:00-13:30				10:50-12:40	Participatory session		
13:30	Lunch	13:00 - 14:00	Lunch	13:30 - 15:00	Lunch	<b>Workshop session 2: Cultural practices for conservation in the Mediterranean region</b>		12:40-13:00	Wrap-up session		
	<b>Capacity building session 2: Pastoral management and plant conservation</b>	<b>Capacity building session 3: From ex situ to in situ conservation</b>	Important Plant Areas (2)		<b>Workshop session 4: Networking, building synergies, involving volunteers and citizen science</b>						
15:00 - 15:05	Welcome: Aims and rules of the workshop	15:00 - 15:15	Capacity building session presentation	14:00 - 15:00	Solving problems and restitution Clarification in way forward for IPA identification and validation Breakout groups to also prioritize threats as basis for final session	15:00 - 15:20	Workshop opening Introduction and objectives of the session	15:00 - 15:10	Workshop opening Introduction & objectives of session		
15:05 - 17:00	Main presentations	15:15 - 17:50	Main presentations	15:00 - 16:00	Threats to biodiversity and solutions Solutions to threats and contribution to solutions by civil society	15:20-16:00	Opening session	15:10 - 16:00	Main presentations Questions to the speakers		
17:00 - 17:30	Final debate	17:50 - 18:00	Experiences and Discussion (All)	16:00 - 16:30	Final remarks and next steps	16:00-16:20	Coffee Break	16:00 - 16:20	Coffee Break		
		16:30 - 17:00	Examples on how to improve plant data in the Mediterranean region Open session to all participants	16:20-18:00	Short Presentations - Pecha kucha session (6 min presentation)	16:20-18:00	Short Presentations - Pecha kucha session (6 min presentation)	16:20 - 18:00	Main presentations Short Presentations - Pecha kucha session Plenary: Extraction of lessons learned; vote of thanks Questions to the speakers		
				18:00-19:00	Participatory activity 1			18:00	Closure of the 1st Mediterranean Plant Conservation Week		
						21:00	<b>Social dinner</b>
